

As a Youth Leader in the Compass program, you will be paired with a Leadership Advisor who will act as your mentor throughout the 9-month program. Together you will set goals, attend monthly workshops on leadership development, volunteer in your community and grow your skills and network. Just like you, your Leadership Advisor will have attended camp and will be able to help you transform all of the leadership skills you develop at camp into regular practice.

You must be between the ages of 15-18. If you are over 18 and would like to get involved with the Compass program, please contact Anne (anne@amicicharity.org or 416-588-8026) to learn about additional opportunities.

Is there a minimum time commitment?

In order for the program to run successfully, we require all applicants commit to the duration of the program, which runs from mid-October 2017 to mid-June 2018. Please only apply if you are able to commit to the program for the entire 9 months.

In order to become a Youth Leader must I have completed a camp LIT or CIT program?

Not necessarily; preference is given to youth with leadership potential.

At this time we are limited to offering the program in Toronto. Due to the frequency of workshops, only those who live within reasonable traveling distance will be able to participate.

What does the application process look like?

Applications are accepted until 11:59pm on September 18, 2017. Amici will contact all applicants within two weeks of receipt of the application.
